

Donating Stock to the American Himalayan Foundation

You or your broker will need the following information to electronically transfer stock to our account:

Account Name: American Himalayan Foundation

Account Number: Z40-003115

DTC Number: 0226

Broker: Fidelity Investments
Attn: TOA Receives
PO Box 770001
Cincinnati, OH 45277-0036

Because the donor's information in electronic transfers is not always complete, we ask that you please let us know ahead of time if you are planning to transfer stock to AHF so we know how to handle your gift.

Please also include a mailing address where we can send a tax receipt.

To do this or if you have any questions, please email or call Norbu Tenzing at norbu@himalayan-foundation.org or 415-288-7245.

Thank you for your generosity!
